Această piesă
se îmbină cu
latura dreaptă
a cleștelui.

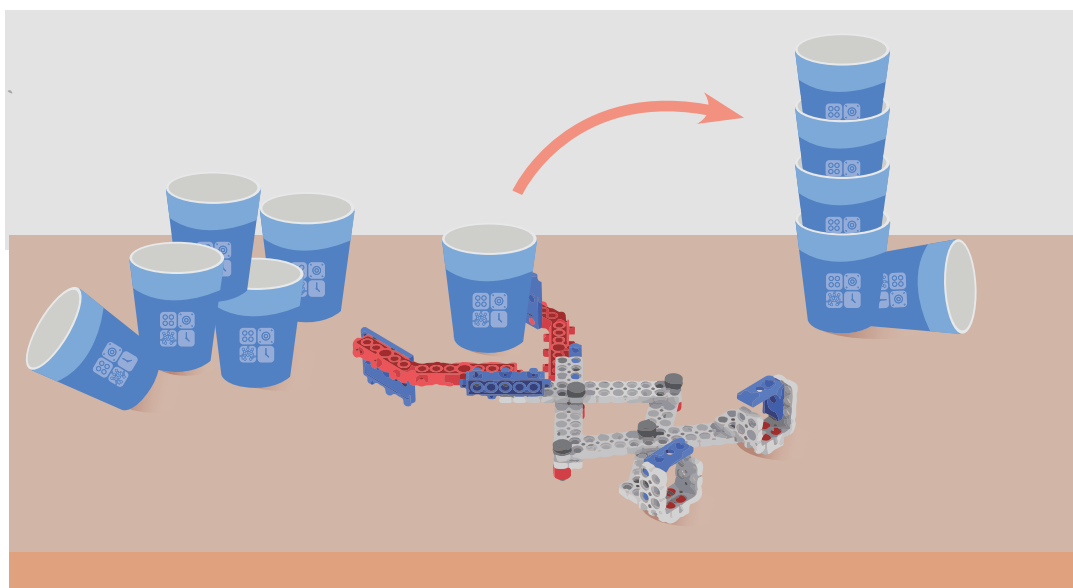

OK

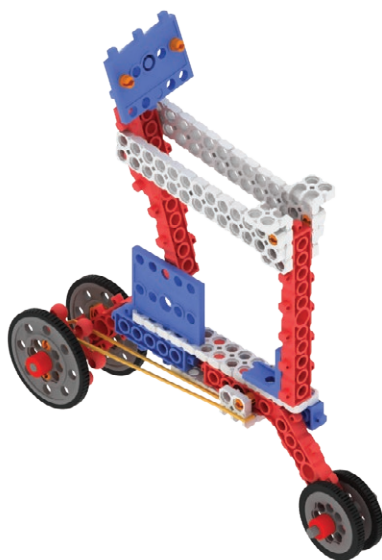

Exercițiu practic: Mișcă paharul cu ajutorul cleștelui.

- 1 Încearcă să apuci cu cleștele mai multe pahare de plastic sau hârtie și construiește un turn din ele.
- 2 Încearcă să modifice cleștele ca să apuci mai bine paharele și să te miști mai repede.
